2021 Summer Transportation Institute Non-Residential Program

June 21 - July 2, 2021

MEMORANDUM

To: Middle School Guidance Counselors
From: Sheena Turner, Program Director
Subject: 2021 Summer Transportation Institute Program
Date: May 11, 2021

The **University of West Alabama** will host the **2021** Summer Transportation Institute (STI) Program for middle school students from **June 21, 2021- July 2, 2021 (excluding weekends)**. This will be a non-residential program where the students will travel campus each day. The STI Program aims to create awareness and stimulate interest in secondary school students to take full advantage of the opportunities that exist in the transportation industry. The STI Program sponsored by the US Department of Transportation, Federal Highway Administration is open to students attending public and private middle schools across the Black Belt. The STI is an extremely intense and structured learning opportunity for youth in the secondary school systems of Alabama.

The curriculum will expose students to new frontiers and adventures such as highway design, transportation of people and cargo, intermodalism, laws, regulations, safety, and career opportunities. In addition, students will participate in standardized applicant test preparation courses, computer training, academic enhancement activities, field trips, and hands-on projects.

Approximately 18 students from grades 7-8 will receive full scholarships to participate in the 2-week summer program. Scholarships will include the following:

- Tuition
- Workshops/Handouts
- Supplies
- Facility Usage
- Equipment
- Field Trips
- Lab Fees
- Speakers

The attached application form is being sent to public and private middle schools across the Black Belt. Guidance counselors are asked to identify two students for the STI Program and assist them with completing the forms in the enclosed application package.

Thank you,

Sheena Turner, Program Director
