### Public Messages

#### Mental Health Awareness Month

Each year millions of Americans face the reality of living with a mental illness. During May, National Alliance on Mental Health (NAMI) joins the national movement to raise awareness about mental health. Each year we fight stigma, provide support, educate the public and advocate for policies that support people with mental illness and their families.

For 2022's Mental Health Awareness Month, NAMI will amplify the message of "Together for Mental Health." We will use this time to bring our voices together to advocate for mental health and access to care through NAMI's blog, personal stories, videos, digital toolkits, social media engagements and national events. <https://www.nami.org/Get-Involved/Awareness-Events/Mental-Health-Awareness-Month>

# INFORMATION DISSEMINATION

The Prevention Coalition Coordinator attended the 11<sup>th</sup> Annual Mark Curl Memorial BBQ Cook-Off. BBQ teams from across the state competed to see who could cook the best BBQ Ribs, Butts, and Chicken. There was street vendor shopping, an antique car show, children's activities, live music, Hog Wild Art Show, and more. Officer Steele joined our table to support us as we got the message out to the community using flyers, postcards, wallet cards, window clings, and our website.

### COVID UPDATES

## COVID vaccine questions and answers: Tell us what you want to know, we'll ask the professionals

Updated: Aug. 06, 2021, 9:56 a.m. | Published: Jul. 27, 2021, 6:30 a.m.

**(1)** By [Howard Koplowitz | hkoplowitz@al.com](#)

Worried about potential side effects of the [COVID-19](#) vaccine? Are you unsure what activities are safe following vaccination? Whether you're vaccinated or not, AL.com will be reaching out to public health experts to get your concerns addressed about the COVID-19 vaccine. Just shoot an email to [vaccines@al.com](mailto:vaccines@al.com) and we'll get an expert to directly answer your question.

**(2)** The **Alabama** Department of Public Health (ADPH) occasionally receives **updates** on dates of cases and deaths that requires we reprocess data. Visit this website for the current data by county:

[Alabama COVID-19 Data and Surveillance Dashboard \(arcgis.com\)](https://arcgis.com)

**(3)** United Way and the Alabama Department of Public Health are working together to aid individuals in Alabama, who are facing hardship resulting from the need to isolate due to COVID-19. Those who have tested positive for, or been exposed to, COVID-19 and are required to quarantine, may qualify for assistance that could help keep your family safe and make isolation easier.

After Calling United Way's 2-1-1 information and referral line a screening will follow to determine if you may qualify for help in various ways. These are just a few examples of ways assistance may be offered but there are strict guidelines to qualify. Call 2-1-1 (888-421-1266) to be screened for qualification and to learn more about the program.
