

## Sweetwater High School to Host the First Annual

### “Meet the Bulldogs”

With the end of summer comes a new school year, and with a new school, comes fall sports, Sweetwater High School started off the fall semester with a Fall Sports Kickoff that aimed to become an annual event. The Kickoff was hosted by the Sweetwater High School Athletic Booster Club on Saturday, August 5 at 6:00 p.m. at the Nolan Atkins Stadium.

The event featured food, inflatables, performances from the cheerleaders, band members and an introduction to the SWHS fall sports athletes. Admission for the current Booster Club Members, varsity athletes,

band members, and coaches was free, though wristbands were required at \$5.00 each.

The Booster Club is encouraging Bulldogs fans to invite community members to join them with continued support for the Sweetwater Bulldog family for the 2023-24 school year. For more information on how to become a Booster Club member, contact the Booster Club through Facebook or call SWHS at 1 (334) 994-4263.
