

FREE PROSTATE CANCER SCREENINGS

**April 13, 2024
10:00 am – 2:00 pm**

**SUMTER COUNTY HEALTH DEPARTMENT
1121 N. Washington Street
Livingston, AL 35470
205-652-7972**

DID YOU KNOW:

- Prostate cancer is the 2nd leading cause of male cancer-related death in the U.S.
- African-American men are at special risk for the disease, with the highest death rate for prostate cancer of any racial or ethnic group in the U.S.
- It's now more important than ever for those at highest risk to be screened if they have delayed being screened due to the COVID-19 pandemic.
