WILCOX COUNTY COMMUNITY COALITION VOLUME III, ISSUE 10

National Immunization Awareness Month (NIAM)

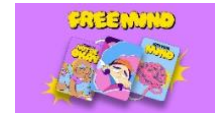

National Immunization Awareness Month (NIAM) is an annual observance held in August to highlight the importance of vaccination for people of all ages. Together, we can help raise awareness about the importance of vaccination and encourage people to talk to a healthcare provider they trust about staying up to date on their vaccinations.

For additional information go to:

https://www.cdc.gov/vaccines/php/national-immunization-awareness-month/index.html?CDC_AA_refVal

CDC Launches New Campaign to Address Youth Substance Use and Mental Health

The back-to-school season is a great time to engage with youth about mental health and substance use to promote their well-being throughout the academic year. To support these conversations, the Centers for Disease Control and Prevention (CDC) has launched *Free Mind*, a new national campaign that provides youth ages 12-17 and their parents and caregivers with resources and information about substance use, mental health, and the connection between the two.

Visit [Free Mind: Mental Health & Drug Use Awareness for Teens | CDC](#) to learn more about the *Free Mind* campaign. For more information about CDC's overdose prevention efforts, go to [Overdose Prevention | Overdose Prevention | CDC](#).
